We are a responsible and service oriented company that assists buyers all over the world to consolidate their purchases from different manufacturers in Malaysia. We now have regular clients from New Caledonia, UK, Ireland, Spain, Georgia, Saudi Arabia, Qatar, Singapore, Dubai, Vietnam buying office furniture & equipments, audio visual, stationery, kindergarden equipment and expanding our service to more countries globally. We assist clients to decide what, where and who would be the best option to import their merchandize without needing to stock just one item per container. We help to monitor and consolidate different items into container according to your requirements. Having said that, we also export bulks flip chart pads to Spain, containers of projection screen to Saudi Arabia, plan hanger systems to UK and many more. We work very closely with most of the major manufacturers in Malaysia in terms of product quality and after sales services. So, tell us what you are looking for and we will source it out for you.....
